Miami is considered the 'boat lovers' paradise. You too can enjoy one of our many Miami boat rentals or luxury yacht rentals in Miami. Our Miami boat rentals and day charters are not expensive. Imagine what it would cost for your hotel, food, drinks, tips, taxes, ferry tickets, taxi fares, rental cars, gas, tours, chartering day sails, and water toys. The cost is far more than it would be for most of our day charters.

Our fleet of Miami boat rentals is extensive and includes vessels that are recent, well maintained and captained with a professional licensed crew. You may choose from one of our day charters and enjoy a fishing trip with your friends or you may prefer one of our luxury yacht rentals in Miami for trips to the surrounding islands like Bimini or Key West.

We know Miami well so to make things simple we have prepared a list of day excursions that include some of the more popular activities. Enjoy a day of fishing on the sea or dine at one of the numerous Miami waterfront restaurants.
